ULTRA COMPACT SLIM
ULTRA SLIM

USB
TYPE C

YASHI designed the Suzuka ultrabook based on portability: the frameless IPS display maximizes the visual area and guarantees real colours, the "reverse" opening makes this elegant device an ultra compact "par excellence"!

The 2MP camera guarantees video calls with clear and fluid images.

Both latest microprocessor i3 and i5 and long-lasting battery make it perfect for the entire workin day and/or study.

## FEATURES

FULL DISPLAY

FRAMELESS

The **frameless display** allows a complete, total view, thanks to its very thin edges.

2MP

WEBCAM

Video call whoever you want, follow online lessons or talk with your collegues in FHD quality.

IPS VIEW QUALITY

The **IPS technology** guarantees a wide viewing angle, color depth and ideal contrast in all ambient.

USB

TYPE C

An useful and powerful **USB Type-C** guarantees quick data transfer and it's the perfect match with latest devices.

ULTRA COMPACT SLIM

ULTRA SLIM

A thickness of less than 19mm, a weight less of **2Kg,** simple and precise lines, make YASHI Suzuka an elegant and light device for every day.
