We hereby present you our best offer for the following Yashi solution

Florence AiO 18.5 J3160/4/240 W10 Enterp

Yashi Florence AiO is ideal for both entertainment and productivity thanks to its 10-finger multi-touch. You can perform gestures like "pinch-to-zoom" or rotate images and more with extreme ease. Thanks to capacitive touch screen technology, Yashi Florence AIO offers exceptional precision and effective management through optimization provided by Windows.

The picture is to be considered purely indicative: it can change without notice.
