

**YT700**

**YASHI PLANE 15.6 POS SOLUTION**

## Datasheet

|                                                                                                         |
|---------------------------------------------------------------------------------------------------------|
| All in one pc                                                                                           |
| TFT LCD de 15.6 " , 1368 x 960 con pantalla ttil resistiva                                              |
| Multi soluci ttil                                                                                       |
| Intel Atom™ dual-core D525 processor mounted onboard                                                    |
| Embedded with chipset Intel 945GC                                                                       |
| Intel NM10                                                                                              |
| Supports up to 4GB Memory DDR2 800 ( 2 slot DIMM)                                                       |
| 2 x sata2!                                                                                              |
| Integrated Intel GMA 3150                                                                               |
| 6-Channel HD Audio                                                                                      |
| Lan 10/100/1000 on board                                                                                |
| 1 x Pci                                                                                                 |
| 1 x PS/2 Mouse! 1 x PS/2 Keyboard! 4 x USB 2.0! 1xVga! 1xcom1! 1 x LPT! 1 x RJ-45! 3 x Audio Connector  |
| Frente lector de compact flash                                                                          |
| 1x com headere ( flat with bracket low profile optional)                                                |
| LAN boot PnP, ACPI, WfM, DMI 2.0, PCI 2.3, USB2.0, DMI 2.5                                              |
| 10/100Base-T integrado ! WLAN USB opcional                                                              |
| Ancho: 390 - Profundida:340mm - Altura :300 ( La altura se reduce a 180 mm en la versi del panel plano) |
| Interior                                                                                                |
| 2 as en el centro                                                                                       |
