

YX667

HOSTPOWER 2U INTEL 2600 8 BAYS

Datasheet

2U rackmount

Rack 19" - 2HE - profondit650mm

4 ventole centrali da 80mm hot-swap!

Sistema antintrusione

LGA 2011 Socket

Support for one or two Intel Xeon E5-2600 Processor(s)

Intel C600

Support for 1333/1600 MHz/s Registered DDR3 Memory

Intel RSTe SW RAID 0/1/10/5 max boot partition 2 Gb

Fino a 8 hard disk hot swap sata-sas! 2x2,5" interni + 1xSlim!

Integrated Matrox* G200

Two Gigabit network through Intel I350

1 x PCIe Gen III x4/x8 electrical with x8 physical connector! 5 x PCIe Gen III x8 electrical with x8 physical connector! 1 x PCIe Gen III x8 electrical with x16 connector, support riser card.

Fino a 7 slot low profile

One DB-15 video connector! One DB9 serial port A connection! Support two 10/100/1000Mb ! Four USB 2.0 ports

2 x usb 2.0

14 x sata port! One 2x5 pin connector support for two USB ports! One internal Type-A USB 2.0 port! One internal USB port to support low profile eUSB SSD!

Winbond* W25Q64BV

Onboard ServerEngines* LLC Pilot III* Controller! Support for Intel Remote Management Module 4 solutions! Intel Light-Guided Diagnostics on field replaceable units! Support for Intel System Management Software! Support for Intel Intelligent Powe

2 anni on-center
